Monthly Happenings December 2021

Welcome to The Boehly Center Monthly Happenings Newsletter!

The Boehly Center wishes you a wonderful holiday season
full of joy & relaxation!

PLEASE NOTE: The university will be closed from December 23 - January 2.

Name: Emmanuel H. Murphy

Major: Data Science

Minor: Finance

Graduating Class: 2022

Current Internship: Capital One - Management Intern.
This summer I conducted industry & peer research, built in-house ESG objectives, & led strategy meetings for External Affairs.

How has the Boehly Center impacted you: From pulling back the curtain and giving me insight into the career hunt, to introducing me to professionals in private equity, the Boehly Center was the decisive factor in my professional success. Not only did I leave meetings with Melanie & Morgan more confident in my potential, but through programs like DoG Street to Wall Street the Boehly Center reframed my ethereal vision of a “future in finance” into tangible goals. I will always be grateful for the coaching on navigating sensitive conversations with employers and for the countless meetings spent meticulously packing my

resume with “power verbs”. Thank you Boehly Center!

Thank You 2021 Boehly Center Club Presidents & Board Members!

The Boehly Center would like to recognize the 2021 Boehly Center Club Presidents for their dedication to providing exceptional programming to William & Mary students.
