Current Internship/Upcoming Job: Incoming Summer Analyst at Goldman Sachs (Salt Lake City, Utah)

How has the Boehly Center impacted you: The Boehly Center has been incredibly helpful during my internship process. I started going to Ms. Hutter and Ms. Trice because I honestly had no idea how to get started applying to internships for this upcoming summer. They helped me

find people to reach out to, applications to apply for, work through mock interviews, and answered any question or concerns I had. I honestly would not have gotten this far without their help.

Women's Stock Pitch & Leadership Summit Spring 2022

7TH ANNUAL WOMEN'S STOCK PITCH & LEADERSHIP SUMMIT

The annual Women's Stock Pitch & Leadership Summit kicked off on January 10 with a brand new preliminary pitch week for all registered teams. All teams that are interested in competing had five (5) days to put a maximum 7-minute recorded stock pitch together on Under Armour.

On January 25, twenty (20) of those teams will be invited to compete in the 2022 Women's Stock Pitch & Leadership Summit on March 25! Also new this year, we have added a keynote speaker and coaching session on presentation skills on February 25 so teams can receive additional support and training as they prepare for the competition in March.
