# STUDENT SPOTLIGHT

**Name:** Aanchal Goenka

**Major:** Finance

**Minor:** Data Science

**Graduating Class:** 2023

**Current Internship:** Summer Scholar at Deloitte Consulting

**How has the Boehly Center impacted you:**

The Boehly Center has had an instrumental impact on my professional development journey. I have participated in various Boehly Center programs: Dog to Wall Street, Women's Stock

Pitch and Leadership Summit, William & Mary Wall Street Program, Training the Street Programs, the Peer Mentorship Program, and the Boehly Incentive Program. These opportunities enhanced my networking skills, communication abilities, and business acumen. Additionally, as President of Smart Woman Securities, I have been lucky enough to work with the Boehly Center in sharing these different opportunities with the rest of the student body. I am thankful for Boehly Center's support these past few years in growing my career readiness and leadership skills.

### Bloomberg for Education Terminal

Students can practice on platforms similar to what they will be using in their future endeavors at banks, government agencies, corporations, or other industrial avenues across multiple arenas.

The estimated time on this program is about 10-12 hours and can be completed at one's own pace, for free!

INDUSTRY INSIGHT, CAREER PREP, AND MORE

Find me a mentor

Find me a mentee

The Mentor Match Program is designed to give current undergraduate students a connection to alumni mentors in industries or companies in which they have limited exposure.

Mentors and mentees will meet twice each semester (fall and spring, between November 2022 and May 2023), and mentors will be asked to review their mentee's resume, LinkedIn profile, and to assist with mock interviews. Mentors can also provide perspectives on work & life as to help students create a clear vision on what to expect post-graduation and in the careers of their choosing.
