

KEYNOTE SPEAKER

TIM DUNN '83

**CO-FOUNDER AND CHIEF
INVESTMENT OFFICER
TERRA ALPHA INVESTMENTS**

Tim Dunn is the co-founder and Chief Investment Officer of leading sustainable investment management firm Terra Alpha Investments. The firm manages public equity funds that allocate capital to companies that are profitably leading the transition to a truly sustainable global economy. He has worked in the investment management industry for over 35 years, including 19 years as an equity research analyst and then portfolio manager at Capital Research. He has worked with some of the leading environmental NGOs including The Nature Conservancy, World Resources Institute, and CDP.

Mr. Dunn expresses that, "In the decades ahead, we must evolve our global economy towards one that better serves the real needs and interest of society, while operating within our planet's natural resource boundaries. This transition will create significant risks and opportunities for all participants across all sectors of our economy. Our firm's mission is to help our investors best navigate this transition while being a catalyst for more rapid positive change."
