

## CORPORATE FINANCE

**LAUREN FALVEY MACC '21**  
FINANCE ASSOCIATE - REAL ESTATE  
BAIN CAPITAL

Lauren's role sits within the Real Estate Private Equity industry, which seeks to invest in various real estate assets; these assets range from senior housing to life science to self storage. The Finance team at Bain Capital works closely with the Investment team, and is responsible for overseeing the Joint Venture partner budgeting and valuation processes for all properties, and managing the capital calls and distributions for both their investors and the JV partners which their funds invest in. Lauren is a Real Estate Finance Associate at Bain Capital, primarily responsible for the movement of cash through the Fund structures to meet the needs of their JV partners, while assisting with the other aspects of the finance team processes.

**JESSICA MISSE MBA '14**  
DIRECTOR, STRATEGIC FINANCE  
AFFIRM INC.

Jessica works in the Fintech Industry at Affirm Inc., which is a Buy Now Pay Later provider. In her current role, Jessica leads the business finance function. Her team is responsible for driving annual planning, forecasting and other strategic to business partners across the company.
