EARNING POINTS

STEP 4 Select Event/Activity you plan to complete

Each event has a listed number of **points** that you will receive at the completion and verification of the event. Events may be completed multiple times and you will receive points for each completion.

Every event also has unique "**Student Sign-off Requirements.**" These requirements must be completed to receive points for the event.

To add an event to your **Event Journal**, select the event – it will be highlighted in green – and click the plus button again.

STEP 5 Sign-Off Events

Once the detailed "**Student Sign-off Requirements**" are completed for an event, navigate to the **Event Sign-Off Page** to "sign-off" that specific Event.

If an event requires a "day-of" check-in, please be sure to complete a separate check-in at that event before signing-off that respective event.

After you have "signed-off" an event by clicking the check mark, it will disappear from this page but will remain in your **Event Journal**. The Boehly Center staff will then complete the "**Program Sign-off Requirements**" and award the earned points.

STEP 6

Review your Event Journal

You can review **selected and completed** Boehly Events at the top portion of the screen using the scroll bar. You can also **delete** the Event using the trash icon if necessary.

STEP 7

Make an Advising Appointment

Use the **Calendar page** to select a Boehly Center Advisor to request and check-in to an advising appointment.

Select the plus button on the left to schedule an Advising Appointment. Complete all applicable fields and select a time that the advisor is **free**. Be sure to press **save** to submit the request.

The Advisor will then approve or decline the meeting based on availability. You will receive an email with meeting information.

You may cancel the appointment by selecting the appointment and clicking the trashcan icon or change the appointment time by clicking the pencil. You may not cancel within 24 hours of your appointment.

On day of your appointment upon arrival (virtual or physical), "Check In" on the Calendar by the "Check-in" button.
