Boehly Center Impact: The Boehly Center gave me plenty of options to explore my career interests over the last two years. I was able to attend tons of

seminars on industry/firm specific careers and network with alum who currently work in the field. This allowed me to gain a better understanding of what I wanted to do and where I wanted to be, and is ultimately what led me to consulting!

Thank You 2022 Boehly Center Club Presidents & Board Members!

The Boehly Center would like to recognize the 2022 Boehly Center Club Presidents for their dedication to providing exceptional programming to William & Mary students.
