John Leone '91

Managing Director, Head of Quantitative Strategy Wells Fargo

John joined Wells Fargo in 2019 as Director of Quantitative Strategy and a Managing Director. In his current role, John is responsible for enhancing Wells Fargo's hedge fund financing products and direct market access platforms geared for quantitative managers. Prior to joining Wells Fargo, John worked with Stevens Capital Managements or its associated companies for 26 years. John was primarily responsible for accessing global exchanges, equity financing structures, and prime broker management. During his career, John has established connectivity to 30+ global exchanges, researched market structure and maintained relationships with global exchanges and brokerages. Current and prior professional associations include: The New York Stock Exchange Institutional Traders Advisory Committee, The Bohley Center Officers Council, CBOE Institutional Advisory Committee, The NASDAQ Stock Exchange Quality of Markets Committee and Investment Company Institute Working Group Market Structure and Investor Confidence. John holds a bachelor's degree in economics from The College of William & Mary, is a CFA Institute Charterholder and recipient of the Howard J Busbee Finance Academy Alumni Award. John's civic and community activities include: Girard College Foundation Board, Vice President, Pennsylvania State University Parents Philanthropy Board, and The College of William and Mary Women's Leadership Summit Advisory Council.

Ryan Sells '07

Co-Founder & General Partner Dash Fund

Ryan is a co-founder & GP at Dash Fund – an early-stage venture capital fund focusing on FinTech investments. He is also the Head of BD at Turnstile, a FinTech startup back by First Round Capital that automates the quote-to-cash stack for b2b businesses. Previously, he was Employee #7 and Head of BD at Second Measure (YC S15, acq. by Bloomberg). Post-acquisition, he led Bloomberg's Alternative Data Strategy as part of the Office of the CTO. Ryan was also Employee #8 and VP of Revenue at Pipe, an alternative-lending FinTech startup most recently valued at \$2 billion. Notably, he was the first business hire at each of Turnstile, Second Measure and Pipe. Ryan started his career at JP Morgan where he spent eight years in the sales & trading division. He holds a BBA from The College of William & Mary where he double majored in Finance & History while playing Division 1 soccer.
