

2025 WOMEN'S STOCK PITCH TEAM APPLICATION GUIDELINES

What is the application process for teams?

1. **Form a team** of three to four potential team members from the same university and designate a team captain. The team captain will be expected to receive updates from W&M and pass along to the remainder of the team...so ensure to choose the most responsive person to take on this role. Resumes, email addresses and t-shirt sizes will be required for each team member at the time of application. Note: If your team competed at a previous Women's Stock Pitch Competition at William & Mary, only one of those team members may join this year's team.
 2. **Identify a staff or faculty member** at your university who consents to serve as the team's university contact. While the team captain will be responsible to respond to W&M's inquiries, W&M may contact the university contact in case of an emergency, with key information, etc. Obtain the advisor's email address and phone number.
